

Doctoral Workshop

As part of the 8th International Conference on Sustainability & Responsibility, a doctoral workshop will take place. The workshop offers PhD students the opportunity to present their work and to discuss it with renowned experts from the field.

Workshop Format

The workshop will be held on Friday, November 16, from 10 a.m. to 4 p.m. at the Cologne Business School (CBS). It will consist of three parts:

- 10 a.m. to 12 p.m.: Paper session
- 12 p.m. to 2 p.m.: Poster session
- 2 p.m. to 4 p.m.: Paper session.

During the first paper session, groups of three, each consisting of two PhD students and one faculty member, will discuss two submissions (one hour per paper). Each PhD student is expected to comment on his or her fellow student's submission as well and thus needs to read and work through the other paper of his/her session. The second paper session will proceed identically, just with reshuffled groups.

During the poster session, all participants will have the opportunity to learn about several PhD projects as summarized on the posters. There will also be refreshments and snacks.

Facilitators

The workshop will be facilitated by: Philipp Schreck, Ingo Pies (both Martin-Luther-University Halle-Wittenberg) and René Schmidpeter (Cologne Business School).
